Work Experience

Owner and Founder

Katie Flack Art Washington, DC | 2014-present

- Principle artist of a business that produces custom and original artwork.
- Increased sales by over 300% in 2020 through advertisement and increased social media presence.
- Maintain a web presence with a website, storefront on Etsy and pages on Instagram and Facebook.
- Consult with clients on project needs and maintain customer relationships with requested feedback.
- Artwork examples at katieflack.com.

Filmmaking Teacher

Brides Public Charter School Washington, DC | 2017-2019

- Managed 5-10 students through the filmmaking process.
- Developed a curriculum for the year to teach students about the filming process: development of story, story board, script writing, filming strategies, acting and film editing.
- Students created short films 15-20 minutes long by the end of each year.

Special Education Teacher

Bridges Public Charter School Washington, DC | 2016-2020

- Managed a team of 4 assistants and a classroom of 8-10 special needs students.
- Created a curriculum for the year and modified the curriculum for each student's individual level.
- Taught a class of 10 severely disabled students while making academic progress.
